

COVID-19 Policy

Additional Guidelines Apply (See separate documents for details.)

Additional TCWSL Restrictions

1. Masks required when entering and exiting the field. No face shields or neck gaiters.
2. Masks must be worn during play. No exemptions or exceptions apply.
3. Masks are encouraged at all times on the sidelines (not required if players can space 6 feet apart on the sideline).
4. Players should remain 6 feet apart on the sideline.
5. Spectators are strongly discouraged. If any are in attendance, they must remain on the opposite side of the field from players.
6. No spitting. 1st occurrence will be a warning, but repeated careless behavior will be carded.
7. Players who come in contact with someone who tests positive for Coronavirus should quarantine for at least one week.
8. If a player tests positive, the entire team should quarantine for one week. The team they played will be notified and all players should monitor themselves and report back if experiencing any symptoms or test positive. The infected player may return after the CDC recommended period. *Subject to change.*
