

TCWSL By-Laws Addendum: Diversity, Equity, and Inclusion Statement

Tri-County Women's Soccer League (TCWSL) values all of its current and prospective members. We believe everyone should be treated equally regardless of race, color, sexual orientation, gender identity or any other characteristic protected by law.

Furthermore, TCWSL opposes racism in all its forms, and we stand in solidarity with the Black community, and all Indigenous people and People of Color, to end racism in our organization and in our society. We will use our platform to bring people together around a shared commitment to equity and inclusiveness.

If you feel that you have been discriminated against, please contact your captain and/or our President & Board of Directors.
